

The M-80s, Birmingham's best 1980s Rock Band, covers your favorite rock tunes from the 1980s and pays homage to the power of the music of the early era of MTV. You'll hear some Power Pop, Guitar Rock, New Wave, and even a little Punk and Hair Metal by the time the night's over!

The music of the 80's has a fun appeal to audiences of all ages, and The M-80s songlist is a can't-miss collection of great music from across the genres. Whether it's a rockin' party or a more casual affair, we do our best to fit right in and deliver an enjoyable, professional performance! Our show is accented with a quality stage lighting and PA system that will be appropriate for the size and setting of the venue.

The M-80s are experienced, professional musicians with many years of combined experience. We incorporate tight arrangements and vocal harmonies to create different moods for different events.
