

Do you know where your leisure suit is? You'd better find it - quick! LavaLamp is the Preeminent Seventies band in the Southeast and they're coming to your neighborhood! Blending outstanding musical and vocal talents with a fun, energetic performance spectacle, the band is determined to give you a great show each time it takes the stage. When the guys put on their leisure suits and gold chains, they mean to have a good time – and they're gonna take you along for the ride! The Seventies were a gold mine for music lovers, and LavaLamp grew up on the tunes of this decade. The band blends an entertaining mix of Seventies soul, funk, disco, and AM Gold hits into a frenzy of on-stage excitement. Dressed in polyester, bell-bottoms, leisure suits, afros, white-vested disco wear – well, you get the picture - the guys look the part from the minute the show begins. On-stage lava lamps help to set the mood, and the music comes to life and instantly takes you back to the funkier time in music history. Don't miss LavaLamp - or you'll be sorry you did!
