

Panorama Steel Band is on the finest professional steel pan ensembles in the United States. This group has participated in Caribbean carnival competitions in Trinidad, Antigua, and Brooklyn, New York. Close association with the 400 piece steel orchestras and arrangers of Trinidad give this group the cutting edge in authentic virtuosi and spirited Caribbean style performance. In addition, the group is unusual in that all members are full time professional musicians with advanced degrees in music. What this means for a performance is that there is a wide variety and enormous selection of music which the group can perform.
