

Stuart McNair's Louisiana Hayride

Get your dancing shoes and your beads ready, because Stuart McNair's Louisiana Hayride is the perfect band for those who want to party like it's New Year's Eve on Bourbon Street. The Louisiana Hayride will take you on a tour through the swamps, back alleys, and dance clubs of America's melting pot. With drums, bass, guitar, organ, and Stuart on accordion, piano, washboard, trumpet, and harmonicas, the Louisiana Hayride plays the best in New Orleans and Louisiana related music. As the leader of the Louisiana Hayride, McNair draws upon his upbringing along the Gulf Coast and years of participation in Mobile Gras to present an authentic experience. Le bon temps roule!
