

The house lights dim and with one note Erica Chambers captures the audience and transforms the room into a party! Charging the air with excitement and powerful accompaniment, Erica's Playhouse will rock your socks off! With a take-no-prisoners attitude, this petite powerhouse draws in a crowd with her bold and beautiful voice, then engages her audience with incredible showmanship and sexy moves that leaves none disappointed. Erica will take you through a range of emotions and leave you only feeling totally satisfied. Each member, a professional in their own right, together makes every performance a grandstand appearance. Booked solid every weekend to packed houses across their home state of Alabama and beyond, their fan base is growing out of control.

Erica's Playhouse, bringing it home no matter where they perform.
