

To hear it, you might think you just stepped into Motown. To breathe it, you smell a tropical breeze caressing a sandy beach. To feel it, you let the rhythm grasp your body and whirl it into motion. To see it, is like an extravaganza of light and energy. But to experience it, you must say it..."I want the Tams!"

The Tams are one of America's all time favorite recording acts. World renown for their special blend of music that makes up the Beach Music sound, the Tams entertain crowds around the globe nearly 300 days a year! Probably best known for their 1968 gold hit, "Be Young, Be Foolish, Be Happy", The Tams are a group that has bridged the generations of music. Their unique sound spans all ages, styles and regions. They are classic with an exhilarating stage show.

What Kind Of Fool

See what previous clients who booked The Tams had to say:

"Saturday was GREAT. I don't believe people could have had any more fun!"

"It's hard to believe that after so many, many years The Mighty Tams are still the best in the business!!"

"Thank you so much for making the booking and all the arrangements so easy, and of course for being so dependable. That's not something that's a given this day and time and I appreciate that very much. We'll all look forward to our next opportunity to spend an evening with The Tams."
